LAND FOR SALE IN İSKELE BAFRA HOTELS REGION!!

Our land for sale within the Bafra Tourism Zone, where the magnificent beaches of the Iskele district are located, is within walking distance of the beach and hotels.

According to the new zoning plan prepared in the region, 50% of our land will be included in the KA2 zoning boundaries, where two-storey buildings can be built.

Our land with a total size of 20 donums is located next to the official road and electrical connections.

As it is known, the Bafra region has been declared a tourism region with the contributions of the Republic of Turkey, and giant 5-star hotels have been built in the region. With the new zoning regulations, large construction companies have started to invest in the region. It is expected to be a region similar to Antalya tourism areas in the coming years.

Bafra region is one of the longest last beaches of Famagusta and Iskele region before reaching the Karpaz beaches. Its beaches, which consist of magnificent fine sand, are of unique beauty. Our land for sale in Bafra is at the entrance of the Hotels area and is within walking distance of the municipality's beaches.

It is located at a point that is a potential investment center for Cypriot holidaymakers who work

in hotels in the region, come to the region for vacation.
